

## Welcome to Newquay Jive and our quarterly Newsletter !!

It may be that this is your first time at Newquay Jive or you may have been coming for years - it soon becomes apparent that everyone is treated the same and everyone is welcome. We pride ourselves on helping people to relax and enjoy their evening whether they are visitors or locals. We create an atmosphere in which people can forget their inhibitions and just have fun.

From time to time, especially during the summer months, we get invited to put on dance demonstrations around the county such as at the **Royal Cornwall Show**, various open days, charity event, etc, which are great fun and also gives us an opportunity to showcase what we do and encourage members of the public to "have a go" with us!!

### BBQ Dance Weekend

Last year, what would have been our 16<sup>th</sup> annual BBQ weekender, had to be cancelled at the last minute when Murphy had his heart attack. As he's now virtually bionic after his quadruple heart by pass, plus 4 knee replacements, and recently 3 broken toes, he's raring to go once again and ready to open up his house and garden to us which overlooks Falmouth Harbour – perfect setting for a party !!

The fun all starts with our special **THURSDAY CLASS** night with guest teacher, **Kevin Hardy**, **FRIDAY DANCE** at Indian Queens with guest teachers, **Phil & Wendy**, and then the **SATURDAY BBQ** at Flushing, Falmouth, starting at lunchtime with afternoon dance workshops in our magnificent Marquee, with time in between for freestyle dancing with music provided by our top DJs, games on the lawn with badminton and table tennis, and then the **BBQ food and buffet at around 6.30 pm**.

The evening continues with dancing, cabaret, fun stroll classes, - or, alternatively, just unfold your deck chair, pop open a bottle of wine, and watch all the antics!!

Many people bring a tent and stay overnight to enjoy our BIG cooked breakfast on **SUNDAY** morning, or just book a day ticket which covers all the workshops, food and dancing right up to 1 am for just £20 !!

Thanks to volunteers, we have been able to keep the price of our tickets to a minimum for this spectacular event by relying on help with the setting up of the dance floor and Marquees a week or so ahead of the BBQ, and also assistance on the day with the preparation of delicious home cooked food, to include cold buffet, salads, and, of course, Jill's famous array of cakes for our much needed sugar fix! (Let us know if you'd like to "get involved" in any way, including doing a spot in the evening cabaret – anything goes !!

Here's looking forward to a great summer of sun, fun and frivolity !!
